CONGRESS OVERVIEW

Following the success of “7th Emirates International Orthopaedic Congress 2019” and on behalf of the Organizing & Scientific Committees of the Emirates Orthopaedic Society by the Emirates Medical Association, it was an honour and privilege to organize the eighth edition of the Emirates International Orthopaedic Congress which was held on 27th to 29th of February, 2020 in the Le Meridien Dubai Hotel & Conference Centre, Dubai, United Arab Emirates.

This congress was supported by the Emirates Medical Association (EMA), Ministry of Health & Prevention (MOHAP), Dubai Health Authority (DHA), Sheikh Hamdan Bin Rashid Al Maktoum Award for Medical Sciences (SHAMS) and Dubai Healthcare City Authority and in collaboration with the AOTrauma which is the world's largest global trauma and orthopaedic community fostering excellence in the surgical management of trauma and disorders of the musculoskeletal system.

Moreover the Congress was endorsed by the Kuwait Orthopaedic Society (KOS), Iranian Society of Knee Surgery Arthroscopy & Sports Traumatology (ISKAST), Iranian Orthopaedic Association (IOA), Saudi Orthopedic Association (SOA), The Orthopedic Society of Oman (OSO), and Syrian Orthopaedic Association (SOA).

The congress included different comprehensive informative learning, panel discussions, refresher courses, and workshops in addition to industry symposia, in order to provide an educational program that allows professionals from academia and industry to be updated with the latest researches and rapid developments occurring in the field.

This congress was meant for Orthopaedic Surgeons, Trauma Surgeons, Intensivists, Emergency Medicine Doctors, Nurses, Technicians, Medical Students, Sports Medicine Doctors, Internists, Orthopaedic residents, Physiotherapists and Pain Therapists.

Alongside the congress, there was an exhibition that featured the latest products and technology available in this medical field.

We would like to express our sincere appreciation to all participants, sponsors, exhibitors, supporting organizations and committee members who made this conference a success.

Finally, we would like to invite you to join us for next year's edition in February 2021 and make sure to tell your colleagues and friends to join this congress too.

Sincerely,

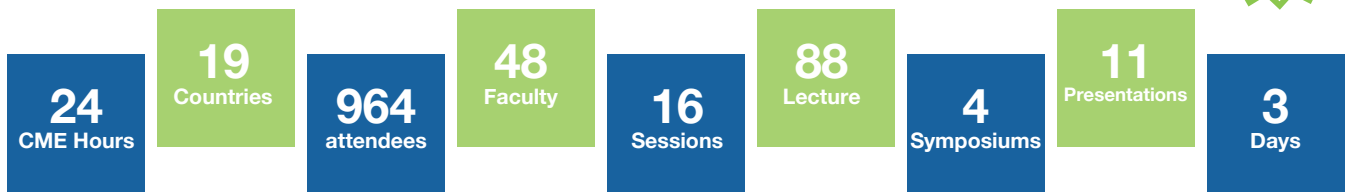

Ali Al Suwaidi
President of Emirates Orthopaedic Society
Abu Dhabi, United Arab Emirate

PROGRAM HIGHLIGHTS

The Congress concluded with participation from **19** Countries and a total of **964** attendees registered to the congress. The scientific program content offered **16** Sessions, **88** Lecture topics, **4** Industry Symposiums and **11** research paper presentations during the **3** days program.

There were **48** Faculty Members from **9** countries who contributed in the **3**-day congress program.

Congress Objectives:

- Obtain critical updates on new technology, products and procedures
- Network with professional colleagues from across the country and around the world
- Evaluate a range of orthopaedic-related products for use in your clinical practice
- Expand your orthopaedic knowledge into new specialty areas
- Review research findings that impact your orthopaedic practice at the poster sessions and abstract presentations
- Get grounded in orthopaedic basics if you are new to the field

The **3**-day congress targeted participation from the following areas of practice:

- | | |
|------------------------------|---------------------------|
| • Orthopaedic Surgeons | • Medical Students |
| • Trauma Surgeons | • Sports Medicine Doctors |
| • Intensivists | • Internists |
| • Emergency Medicine Doctors | • Orthopaedic residents |
| • Nurses | • Physiotherapists |
| • Technicians | • Pain Therapists |

The congress envisioned the following benefits for the participants through this congress:

Earned **24** CME hours by the Ministry of Health & Prevention (MOHAP).

Meet & learn from an outstanding group of high-profile international speakers who will cover a range of exciting topics in the latest researches & updates on rapid developments occurring in the field of orthopaedics.

Enhance your knowledge on the latest & up-to-date technologies in the field of orthopaedics.

Network, meet and build relationships with your peers in the field of orthopaedics.

Participate in various comprehensive informative session including panel discussion.

The congress also received support and collaboration from **16** companies who sponsored and exhibited during the congress as well as received **6** endorsement from societies and associations. Overall the congress achieved great success.

EVENT VENUE & ACCOMMODATION

Congress Venue

The congress was held at the Le Meridien Dubai Hotel & Conference Centre, Dubai - United Arab Emirates.

Le Méridien Dubai Hotel & Conference Centre offers one of the newest and largest conference and banqueting facilities in Dubai spread across **5,500** square meters within **25** meeting and event spaces including three ballrooms.

CONGRESS INAUGURATION & OPENING CEREMONY

The Opening ceremony of The 8th Emirates Orthopaedic Congress 2020 was hosted by Dr. Hadi Atteli. The Ceremony begun with the Holy Quran Recitation. The Inaugural Speech was then delivered by the Guest of Honor, Dr. Ahmed Bin Kalban, CEO of Specialized Healthcare Services Sector at the Dubai Health Authority.

The guest of honor emphasized on the importance of campaigning for better awareness and management of orthopaedics and of coming up with new and innovative ideas aiming at developing the orthopaedics Departments locally and internationally, to equally train the elite healthcare professionals and learn about the latest equipment and best practices. He also encouraged to be up to date with the rapid developments occurring in the field to improve the standards of care for patients with orthopaedics in the UAE.

Lastly, the ceremony concluded with Speech from the Congress Chairman, Dr. Ali Al Suwaidi, Consultant Orthopedic Surgeon, Director - Shoulder & Upper Limb unit at Burjeel Hospital in Abu Dhabi, United Arab Emirates and the President of Emirates Orthopaedic Society by Emirates Medical Association.

ACCREDITATION

CME/CPD Accreditation:

The 8th Emirates International Orthopaedic Congress was accredited with **24** CME/CPD Credit House by **Ministry of Health & Prevention**.

وزارة الصحة ووقاية المجتمع
MINISTRY OF HEALTH & PREVENTION

SCIENTIFIC PROGRAM

The congress Program begun on **27th February 2020** for three days. The program was conducted in **1** main hall, **1** parallel sessions during the **3-day** congress.

Following Topics were the highlights of the congress:

- Evidence Based Medicine and research in Orthopaedics
- Update in conditions of elbow wrist and hand
- Sports Medicine and Arthroscopy
- Joint Replacement and Recent Advances
- Trauma Care and Management
- Pain Management
- Foot Care, Podiatry and Orthosis
- Management of Infection in Orthopaedic

Following sessions were distributed across the three days:

Day 1

- Session 1: Anterior shoulder instability: An update
- Session 2: Failed ACL graft/ ACL revision
- Session 3: Tendon's pathology around the elbow
- Session 4: Traumatic instability around the elbow
- Session 5: Distal radioulnar joint DRUJ
- Session 6: CMC joint of the Thumb

Day 2:

- Session 7: Ankle Arthroscopy & Ankle Instability
- Session 8: Ankle Arthritis
- Session 9: Charcot Foot
- Session 10: Midfoot & Forefoot

Day 3:

- Session 11: Management of early osteoarthritis
- Session 12: Primary Total knee replacement
- Session 13: Complication post knee replacement
- Session 14: Plenary case based discussion
- Session 15: Polytrauma management
- Session 16: Difficulties of severe injuries

ABSTRACT PRESENTATION & ANNOUNCING THE WINNERS

Abstracts and cases submission were submitted by **21** interested delegates, from difference parts of the world.

They were further selected and categorized as per below categories:

- 3** Pain Management, Foot and Ankle Surgery
- 10** Trauma Care & Management
- 2** Management of Infection in Orthopaedic
- 1** Joint Replacement and Recent Advances
- 1** Management of Infection in Orthopaedic
- 4** Sport Medicine & Arthroscopy
- 11** Posters presenters took a place during the 3 day program

The below were the winners:

1st Winner for Poster Abstract

Author: Muhammad Khalifa

Abstract Title: Accuracy of Reduction of Displaced Intra-Articular Calcaneal Fractures Using Limited Sinus Tarsi Approach (Sta): Ct Based Evaluation

2nd Winner for Poster Abstract

Author: Sumit Banerjee

Abstract Title: New Roots, Old Ground: managing ACL avulsion Injuries

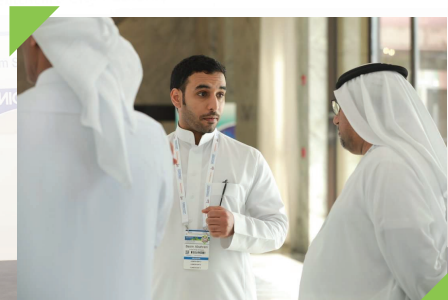

3rd Winner for Poster Abstract

Author: Basim Alzahrani

Co-Author: Jaffar Ibrahim & Fahad Aljuaid

Abstract Title: Preoperative Bathing versus No Bathing with Skin Antiseptics to Prevent Surgical Site Infection: Retrospective Study
