MESSAGE FROM THE CONGRESS CHAIRPERSON

It was indeed an honour and a privilege to have organized the **10th Emirates International Orthopaedic Congress on 25-27 November 2022** at the **Abu Dhabi National Exhibition Centre (ADNEC), Abu Dhabi, United Arab Emirates.**

This year marked a decade of world class learning and the success of the event over the past ten years was overwhelming.

The congress was rich with an outstanding group of high-profile speakers and world-leading orthopaedic surgeons from across the globe. The scientific agenda covered a wide range of exciting topics within the various fields of orthopaedic medicine; attracting a huge number of delegates who greatly benefited from the scientific material and information the congress had to offer.

The 10th EIOC was home to a variety of educational platforms including panel discussions, refresher courses, abstract and research paper review and industry symposia; all curated in an effort to keep professionals in academia and industry updated with recent research and rapid developments in the field.

Amongst the attendees, the congress was an exceptional networking and knowledge-exchange opportunity. Topics such as sports medicine, joint replacement and orthopaedic surgery practises were some of the more popular talking points in the social circles of attendees. Such gathering of experts under the congress's roof ensured an unmatched and unmissable networking opportunity for all.

We would like to express our sincere appreciation to all participants, sponsors, exhibitors, supporting organizations and committee members who made this congress a success.

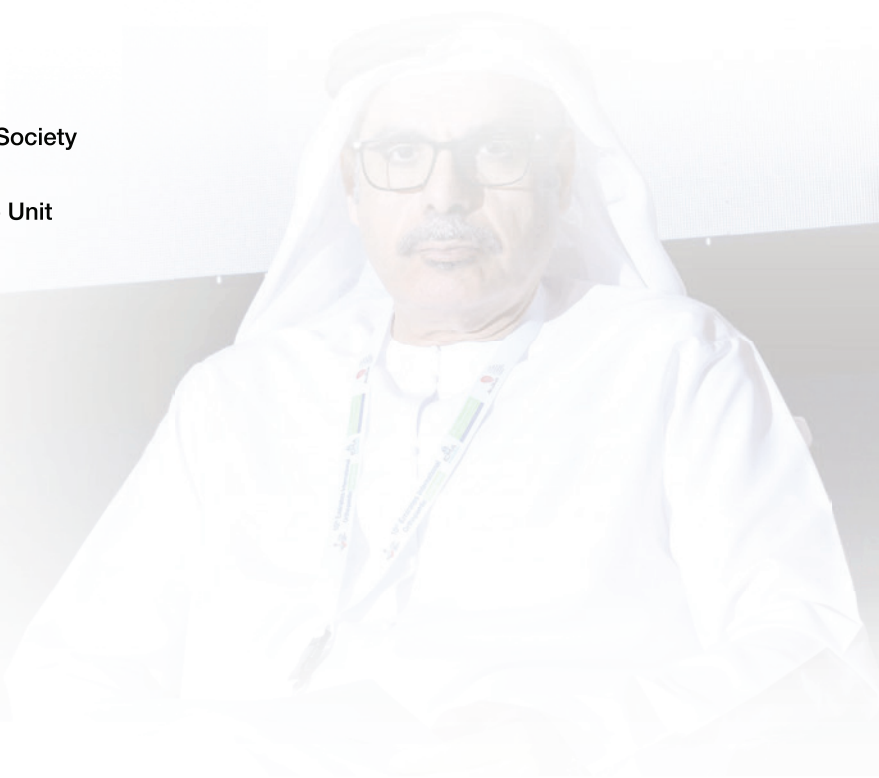

Finally, we would like to invite you to join us for the eleventh edition of the **EIOC** from the **24th to 26th November 2023.**

Sincerely,

Ali Al Suwaidi

Congress Chairman
President, Emirates Orthopedic Society
Consultant Orthopedic Surgeon
Director, Shoulder & Upper Limb Unit
Tarmeem Orthopaedic &
Spine Surgery Centre
Abu Dhabi, UAE

The opening ceremony of the **10th Emirates International Orthopaedic Congress** was attended by the following guests of honour

Hosted by **Mr. Ammar Kadhim**, the ceremony began with the United Arab Emirates National Anthem followed by Holy Quran Recitation.

The inaugural speech was then delivered by the chairman of the congress, **Dr. Ali Al Suwaidi**. The chairman welcomed the attendees to the 10th EIOC and expressed his enthusiasm to start off a congress with such academic magnitude - emphasizing on the role that the congress serves in education and networking while urging attendees to make the most out of what the congress has to offer.

Following the inaugural speech, guest of honour, **Dr. Saleh Fares Al Ali**, took the podium for a speech that addressed the critical role congresses such as the 10th EIOC play as a platform of learning and a catalyst for skill development. He also emphasized how eager and successful the Department of Health has been in supporting academic congresses.

Lastly, the opening ceremony was concluded with the inauguration of the Exhibition Area by the guests of honour and the congress committee.

As a leading medical device provider in the MENA region , AMICO Group's mission transcends beyond the horizon of mere product offerings or trade services. Working proactively with our strategic partners, we constantly aim to elevate the building blocks of our services as a consummately specialized total solution provider.

At AMICO Group, we have comprehensive knowledge of the Middle East markets, the emerging industry trends, economic changes and cultural diversity throughout the region. 'Think globally, act locally,' is an accurate representation of our corporate culture. Local challenges will require local solutions, however, without access to global resources the local solutions may well be a compromise. If highly specialized services are readily available in one country, yet unavailable in another, or if financing is of a shortage in a certain country, supportive solutions may be obtained from our corporate center.

Emirates International Orthopaedic Congress discusses latest medical technology in orthopaedic medicine

ABU DHABI, 25th November, 2022 (IANS) - Over 600 orthopaedic surgeons and specialists gathered today in Abu Dhabi for the 10th Emirates International Orthopaedic Congress to discuss the latest updates and innovations in their ever-evolving field of orthopaedic medicine.

Organized by the Emirates Orthopaedic Society, the Congress will bring together local, regional, and international orthopaedic experts to share their latest techniques and best practices from 25th to 27th November at the Abu Dhabi National Exhibition Centre (ADNEC).

The congress includes a variety of educational methods, including panel discussions, refresher courses, and workshops, in addition to industry symposia, which will provide a rich scientific programme that allows professionals in academia and industry to stay current with recent research and rapid developments.

Members of the most important professional and medical device manufacturers are also showcasing cutting-edge equipment and new technology products in the orthopaedics and sports medicine sector during the three-day medical event.
